SUMMER FUN 2024

Weekly Themes

Week 1: June 3-7 Artists formerly known as Children

Field Trips: (K-2nd Children's Discovery Museum) & (3rd-5th The Crucible)

Purple Rain, Blue Paint, Raspberry Beret, Yellow Clay. All things arts and crafts will be elaborated this week, from the finest to the silliest art. Van Gough himself wouldn't want to miss this week's creativity! Children will learn that there is no wrong way to do art, and utilize mistakes as stepping stones to tap into their imaginations.

Week 2: June 10-14 Hypothesis Unknown

Field Trips: (K-2nd Emma Prusch Farm Park) & (3rd-5th Academy of Science)

We'll be blinding you with SCIENCE all week! Get ready for the messiness of weird science experiments, exploring the mysteries of space, and the strangest aspects of the sea. All children are little scientists, their inquisitive minds hypothesize everything about the world around them. We encourage them to keep asking big questions, experiment, see what happens and learn that mistakes are just science!

***Week 3: June 17-21 Glenissance (CLOSED 6/19)**

Field Trips: (K-2nd & 3rd-5th CineLux Almaden Café & Lounge)

Everybody on MUTE! This week everyone will participate in throwing the hottest show on Lincoln Avenue! Performers, stage designers, ushers and lighting there's a job for everyone. Beys Hive has nothing on the spectacle of singers, dancers, comedians, and skits coming out of Summer Fun's Glenissance Tour.

Week 4: June 24-28 Mid-Summerween

Field Trips: (K-2nd Pump It Up) & (3rd-5th The Mystery Spot)

Spooky Scary Summerween!! We will be celebrating Halloween's very merry unbirthday with costumes, crafts and count dracula. All activities will be giving Spooky Fall vibes this Mid-Summerween!

Week 6: July 8-12 Our Town

Field Trips: (K-2nd & 3rd-5th The Plex)

Summer Fun wouldn't be the same without Our Town! True entrepreneurial spirits rise this week as children collaborate to create businesses from the ground up. They plan and create all week to open real functioning shops, services and restaurants at the end of the week.

Week 7: July 15-19 Literally Creative

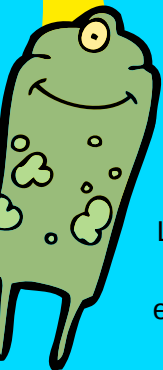

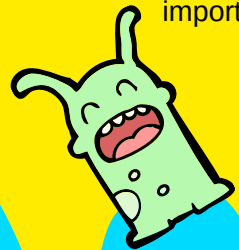

Field Trips: (K-2nd Happy Hollow) & (3rd-5th SJ Museum of Art)
